

STEAMERS

— BEER DEVON —

MOTHERS DAY MENU

We are committed to using the freshest, locally sourced ingredients. Our meat comes from Taste of Devon Butchers in Seaton, who source their meat from local independent farms. Our seafood is from Just Fish in Seaton, with fish caught in Lyme Regis, Axmouth, and Beer, Branscombe, & Brixham.

For fruits and vegetables, we partner with Westcountry Fruit Sales, & Goosemoor Fresh Food, which follows the "Plough to Plate" ethos, sourcing produce from Devon farms. We also try and grow as much as our own produce as we possibly can from our own family farm and allotments. Please note that not all ingredients are listed in the dishes. Please ask your server for more information if you have any allergies or intolerances
